## Sermon outline notes: Spiritual Warfare Part 7 Revelation 13 -Rage Against the Church Part 2

### Introduction

In Revelation chapter 12 Satan is pictured as a great red dragon violently enraged against the church. Satan has been hurled out of heaven (12:9), his sphere is limited, he is defeated and knows that his time is short (12:12). In the drama of chapter 12 Satan goes after the woman, the woman symbolises the Messianic community.

But Satan does not work in isolation and Revelation 13 introduces the two agents through whom Satan carries out his war on God's people.

### 1) The Beast out of the Sea

- The power of Satan expresses itself in concrete historical opposition to God's people
- The sea is a symbol of chaos or evil.
- The message is that this beast attacks God's people, then is wounded fatally yet somehow comes back to continue the attacks.
- The beast is full of blasphemy, it slanders God's name and his dwelling place and those who live in heaven
- The beast commands allegiance—it wants to be God and to have universal authority.
- As a result of all this, there is great suffering among the people of God. The existence and threat of this beast call for patient endurance and faithfulness on the part of the saints.

### 2) The Beast Out of the Earth verses 11–18

- This beast is far less daunting—a lamb with two horns. Yet his danger is precisely that he is deceptive
- Elsewhere in Revelation this beast is called the false prophet (see 16:13; 19:20; 20:10). The activity and ministry of this second beast is in the religious sphere!
- With the dragon, the first beast and the second beast we have an 'unholy trinity' being described.

### 3) Reflections

What does this mean for us? It means that Satan may use quite different forms of evil to reinforce one another and achieve his vicious aims. We have here violent physical opposition to the people of God, i.e. what we call persecution but also deception and deception by its very nature is hard to discern.

### Points to Ponder

- 1) Did you understand the basic ideas contained in the sermon?
- 2) Homework—please read the letters to the seven churches contained in chapters 2 and 3 of Revelation. This will give you practical examples of both beasts at work! What things stood out for you in your reading.
- 3) Patient endurance and faithfulness—what do you understand these phrases to mean in everyday life.
- 4) How do we identify false prophets/ teachers? (consider Matt7: 15–23; 2 Corinthians 11:1–14)
